2013 SUMMER CAMP: Participation Options

Registration Process:

The USAFA has blocked off a number of hotel rooms for our camp participants. Due to the overwhelming response we received for the 2012 Summer Camp, we anticipate that the hotel will be fully booked. Therefore, we recommend that all participants register for camp as soon as possible. Please note that you must register for camp before you can reserve your room. Once you have purchased your camp package, you will receive an email with the link to proceed to the USAFA hotel site to make your reservation. Rooms at the discounted rate only apply to participants who have purchased a camp package, and they do not apply to day participants. Participants who call the hotel directly to make their reservation will not receive the discounted USAFA Camp rate. The meal plan does not include breakfast if you are not staying at the hotel under the USAFA camp package. Please proceed to www.usaikifed.com to complete your online registration and make your payment using your credit card via PayPal. If paying by check or money order, please mail in the registration form with your payment. Rooms are on a first-come first-serve basis and are limited to the USAFA blocked off rooms. Rooms booked after the USAFA is at full occupancy and/or after June 27, 2013 will be subject to an increased room rate.

NEW HOTEL RESERVATION PROCESS - PLEASE READ CAREFULLY!

The USAF has blocked off a number of hotel rooms for our camp participants at a discounted rate. Room reservations will no longer be made through the USAF office; however, rooms may only be reserved after purchasing your camp package. Once you have registered online, or your mail-in form has been processed, you will receive a confirmation email from the USAF with a link to the USAF hotel enrollment page. Follow the link to enroll with the hotel, list your roommates, chose your dates, and reserve your room. If you do not know whom you will be rooming with, make sure that your roommates list your name at a later date when they register. Your roommates may register, after they have purchased their camp package, and the hotel rooming list will be cross checked with the USAF camp list to ensure that all occupants have purchased their camp package. Participants who call the hotel directly to make their reservation will not receive the discounted USAF Camp rate. If a participant does not have a credit card, please use the information from one of the other roommates for the reservation process to secure your room. Remember the card(s) will not be charged until you check out of the hotel at the end of your stay but must have the available balance for the anticipated charge at the time of check in. **YOU MAY ONLY REGISTER TO ARRIVE NO SOONER THAN SATURDAY, JULY 27TH AND DEPART NO LATER THAN SATURDAY, AUGUST 3RD. THERE IS NO GUARANTEE THAT THE CAMP RATE WILL APPLY FOR YOUR EXTENDED STAY, AS THE NUMBER OF THESE ROOMS IS VERY LIMITED.** All room availabilities and discounted rates are on a first-come first-serve basis. Rooms booked after the USAF is at full occupancy and/or after June 27, 2013 will be subject to an increased room rate. **The rate for hotel dates from Sunday, July 28th through Saturday, August 3th will show as "included" in the reservation process, and total \$0 on your hotel confirmation email. This simply means that the USAF discounted rates apply. If there are no more blocked rooms available, the hotel rates per day will be displayed on the reservation page.** Once you make your room reservation on the USAF hotel site, you will receive a confirmation email from the hotel. The confirmation number will allow you to return to your reservation and modify, if needed. Please make sure to always modify your reservation by listing your roommates once that has been determined. You can do this on the enrollment page, or by adding them as a guest. **DISCOUNTED ROOM RATES ONLY APPLY WITH THE PURCHASE OF A CAMP PACKAGE AND DO NOT APPLY TO DAY PARTICIPANTS.** If you are a day participant and wish to stay at the hotel, you must call the hotel directly and make your own arrangements.

2013 SUMMER CAMP: Frequently Asked Questions

Will I be required to pay the total of camp upfront? No. The amount due at registration is the cost of your training and meal plan. The hotel will charge your room to your credit card when you check out at the end of your camp stay. Your camp registration form will include your rooming requests. Rooms may not be reserved without registering and paying for your camp, so your initial camp cost will be your meal plan and training package.

When can I check in/check out? You can request whatever day you would like to arrive and leave during the camp week on your registration form. Your arrival and departure is flexible within our allotted time slot. However, please be aware that regardless of when you check in or check out, the USAF camp packages cannot be adjusted based on your arrival or departure dates.

Why do you need my credit card if I am paying for camp with a check? The hotel requires that the room reservation is reserved with a credit card. You may pay for your training and meal plan by check, money order or PayPal, however, each person staying in each room must provide a credit card number. At the end of your stay, the hotel can divide the cost of your room into whatever configuration you would like. If a participant does not have a credit card, please use the information from one of the other roommates for the registration process to secure your room. Remember, the card(s) will not be charged until you check out of the hotel at the end of your stay.

What if I do not know who my roommates are as of yet? You may add or delete roommates up until one week prior to camp based on hotel availability. Please remember that the price of the room will change with the amount of occupants.

I would like to share a room, but do not have anyone traveling with me to camp. Can you help match me with another person looking for a roommate? The USAF Summer Camp has a FaceBook page which allows participants to contact each other directly. Although the USAF Camp Staff will not be assigning roommates, the FaceBook page is open for individuals to post a note to see if other participants are also looking to share a room.

I am a vegetarian. What options are available for me in the meal plan? The breakfast buffet offers a wide variety of delicious options for everyone. Each catered dinner provides wonderful vegetarian options created by the resort chefs. If you have a specific concern, please email Laura or Paige and they will forward your concern to the resort staff.

Is there mass transportation to the hotel? The hotel is centrally located two hours south of New York City, 45 minutes east from Philadelphia and 15 minutes from the Atlantic City International airport. Depending on your route, various forms of transportation are available including buses, trains and taxis. To help plan your public transportation needs, visit www.njtransit.com.

How can I find out about carpooling options? The USAF Summer Camp has a FaceBook page which allows participants to contact each other directly. Although the USAF Camp Staff cannot form carpooling groups, the FaceBook page is open for individuals to post a note to see if other participants are also looking to share a ride.

Will I need a car once at camp? No. Everything you will need for camp can be found on site or within a minimal walking distance. The training hall is located within the hotel, as is the catered breakfast and dinner. The hotel will be providing affordable lunch choices for those participants who wish to stay on site. In addition, laundry services and various eating establishments are open for camp participants within a one to two mile walking distance.

Can I bring my family? Is there anything thing for them to do while I am training? The Seaview Resort and Spa is a family friendly hotel where luxury and fun coexist. The hotel has an indoor and outdoor pool, hot tub, pool side food and drinks, playground, golf course, tennis courts, and more. In addition, local attractions such as the beaches/boardwalks of the Jersey Shore and Storybook Land are less than a 20 minute drive from the hotel. We encourage participants to make camp a vacation for the entire family!

What is the cost for my children to come to camp with me? Children age four and under are free. Children older than four years of age who are eating dinner are full non-practicing price. Non-practicing children twelve and under who are not participating in the dinner meal plan are free. They will receive only breakfast with their stay and will not be able to accompany their parent to the dining hall for dinner.
