## USAF 2013 SUMMER CAMP SCHOLARSHIP PROGRAM

The purpose of the USAF Summer Camp scholarship fund is to financially assist USAF member Aikidoka in attending summer camp. Regardless of rank, all USAF Aikidoka with financial need are eligible to submit the below application for an opportunity to win a scholarship. The USAF Summer Camp Scholarship is funded by the proceeds generated during the previous year's USAF Summer Camp Gift Raffle where camp participants purchased tickets towards a chance to win gifts donated by the generous USAF community. The full week Summer Camp scholarship is valued at \$250 and the half week scholarship is valued at \$200. There are 10 awards available for the 2013 camp. The scholarship does not cover any travel, food or hotel costs. All scholarships will be picked through a lottery system on June 1, 2013. Scholarship winners will be contacted immediately and must register for camp within two weeks of notification in order to use their award. We will begin accepting applications immediately and all applications must be received via email or snail mail by May 30, 2013. Participants who have already registered for 2013 Summer Camp may still apply. The purpose of this scholarship fund is to assist aikidoka who would not otherwise be able to financially afford to attend Summer Camp due to financial restrictions. We ask that aikidoka who do not meet this criteria refrain from submitting an application. **PREVIOUS WINNERS MAY NOT APPLY.**
